

Features:

- Input 17 watts
- Impeller Plastic, fibreglass filled
- Housing Die cast aluminium powdercoated black

Ventilation Fans

fan RPM	3000RPM
fan noise	47dB
fan bearing type	Sleeve
fan housing material	Aluminium
fan impeller material	Plastic
Fan Operational Life at 25°C	60000hr
fan number of wires	2pc
fan connector type	Spade Terminals
fan air volume cubic feet	105ft ³ /min
Tachometer Output	
type of fan	Axial
fan air volume cubic metres	3m ³ /min

Mains powered

Rated for AU Mains	
Mains Voltage Range	240V
Frequency	50Hz
Mains Max Current	125mA
Max Input Power	30W
Auto-select mains voltage	
Rated for US Mains	

Power from Plugpack

Item Connection	Spade Terminals
